## FAMILY RESTAURANT

### Welcome to Darrow's of Michilimackinac

From the time of the earliest native tribes, courier de bois and voyageurs to today's tourist and sportsmen, people have been meeting here to socialize, fish and trade. For thousands of years, Michilimackinac has been known as the meeting spot.

Our family moved to this spot in 1943 when Glen and Beatrice Darrow bought the large stone house that stood here to raise their family of nine children. In the summer of 1957, Beatrice (Grandma Bea), son Patrick and daughter Glenda opened a hot dog stand in the garage that was attached to the house. With the opening of the Bridge and the large increase in traffic, they quickly outgrew the hot dog stand. The old house was torn down and replaced with a drive-in restaurant, complete with car hops, root beer mugs and hot rods.

Around 1967, Pat moved on to a career in the State Police, and Grandma Bea sold the drive-in to son Don and daughter-in-law Theresa. In 1988, their son Randy and daughter-in-law Traci became partners. Since that time, the restaurant has evolved to a more full service, family style establishment. Loyal customers will recognize some of the touches of the old drive-in days. Most locals still call us "Darrow's Drive-In".

For 50 years, Glenda Darrow was an invaluable part of our history. Through three generations, she worked with a smile on her face and a happy greeting for all our guests. She passed away in 2007 and is sadly missed by all of us.

Over the years, our philosophy about food has stayed the same — make it from scratch using the freshest ingredients. Soup made each morning, fresh baked bread, just-brewed coffee and homemade pie. Good wholesome American cooking.

We've enjoyed serving you for over 50 years. Please visit us again soon.
